

REMARKS

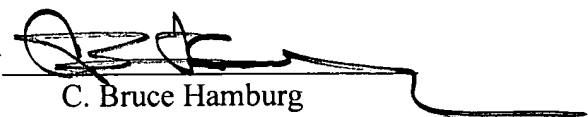

The USPTO presumably received a copy of the International (PCT) application as filed. The copy we filed, however, includes the claims 1-34 as amended under Article 34 rather than the original claims 1-34. In order to avoid confusion, by this Preliminary Amendment the amended claims are canceled and the claims amended under Article 34 are resubmitted as claims 35-68 so that there will no longer be two sets of claims with the same numbers.

In light of the foregoing, it is respectfully submitted that the application is in proper form for allowance of all claims and notice to that effect is earnestly solicited.

Respectfully submitted,

Jordan and Hamburg LLP
